5. Business items

5a. Contract to replace the lights on the boardwalk

The lights on the boardwalk between the Ferry Landing and the Public Marina are more than 30 years old. New lights would use less power and point down, so they light the path without glare on the water. The lowest bid that meets the city's requirements is $412,000.

Staff recommendation: award the contract for $412,000.

5b. Resolution: adopt the street tree plan

The plan lists which trees the city plants along streets, how far apart, and who looks after them. It asks property owners to water a new street tree for its first 2 summers.

Staff recommendation: adopt the plan.

5c. Appointments to the Planning Commission

The Mayor recommends residents for seats 2 and 6 of the Planning Commission. The council votes to confirm them.
