CITY OF CEDAR HARBOR

Demonstration document. The City of Cedar Harbor is fictional.

Fee schedule

The City Council adopts this fee schedule by resolution and reviews it each year with the budget. Monthly rates for water, sewer, stormwater and trash are printed on your utility bill and are not in this table.

> **Card payments**
>
> A card payment for any fee has a service fee of 2.5% of the amount you pay. The card processor keeps that fee. The city does not. Paying from a bank account, by check or with cash is free.
